Kate,

Thanks for pulling this draft together. I have a few edits/comments/questions attached. I am also adding Lindstrom and Washington as project co-PIs in case they have time to look it over.

Tim

Here's a draft of an amendment to the NJ QAPP to cover the new wells sampling.

NJ has commented: we are still waiting to hear if they can meet the schedule for getting us samples. If not, we'll have to rework the dates. James proposed the current schedule.

Myriam has commented.

Sania has commented.

I'll collect the remainder of your comments and resend to all.
